

# Draft Agenda:

## Robotics and Autonomous Systems

Thursday 30 January 2020

Time	Activity
09:15	Registration, refreshments and networking
09:45	Welcome and introduction Nigel Harris, Director of Innovation, West of England AHSN
10:00	Robotics in social care: A connected care ecosystem for independent living Praminda Caleb-Solly, Bristol Robotics Laboratory
10:45	Safety of Physically assistive robotics Sanja Dogramadzi, Bristol Robotics Laboratory
11:30	Rehabilitatoin Robotics Dr Manoj Sivan University of Leeds
12:15	Discussion
12.30	Lunch
13:15	Ehtical issues in the use of robotic and asistive technology (tbc)
14:00	A scoping study on the emerging use of Artificial Intelligence & robotics in social care Jim Thomas and Diane Buddery, Skills for Health
14:45	Panel discussion
15:30	Review of key questions and further actions
15:45	Close
16:00	Optional tour of Bristol Robotics Labortary, Univeristy of the West of England
