

Medicines

Medicines Safety Improvement Programme (MedSIP)

Key National Programme Ambitions:

1. To reduce medicine administration errors in care homes by 50% by March 2024.
2. To reduce harm from opioid medicines by reducing high dose prescribing (>120mg oral Morphine equivalent), for non-cancer pain by 50%, by March 2024.

** Initially coordinated centrally, to be delivered by region at later stages of programme.*
