

Reducing Harm from Falls Workshop

Date: 3rd March 2016

Time: 09.30 - 16.00

Venue: Taunton Rugby Club

Key Aims:

- Further develop the collaborative approach to prevention and better management of falls
- Create a forum to share best practice and learn from each other
- Encourage networking of like-minded colleagues across the West of England and South West Academic Health Science Networks
- To embrace the Quality Improvement methodology to effect change and drive improvement
